Re: Work in Action e-mail alert

Dear Customer:

I am pleased to inform you that the latest edition of "Work in Action" is now available. You can download this issue at www.prc-publications.com. Those of you who have subscribed to the print edition should receive your copy shortly.

The main feature this month is about financial support and funding. Diana Shaw, from Carpe Financial Management, reveals how to secure the money you need to help your business grow. Her informative article will help you learn about sources of funding, both regional and national.

Also in this month's issue, you'll find a survey about "Work in Action". Your participation in this survey is very important, as it will help identify ways to improve the magazine. Even if you have not yet read "Work in Action," your views would be helpful. The survey should take no longer than ten minutes to complete. All answers are of course confidential.

Mark Perkins

Subscriptions Officer, PRC Publications

"Health on the Run" is the latest masterpiece from Sweden's bestselling author and health guru, Oskar Edberg. Following the enormous success of last year's publication, "Health on the Cheap", a guide to being healthy without spending too much money. Edberg now writes for a different audience: people who feel they are too busy or don't have enough time to get exercise and eat well.

He offers dozens of innovative tips for today's modern, working person to maintain a healthy lifestyle and stay fit. Businessmen and business women, students, mothers and fathers, and just about anybody who wishes there were more hours in the day will find plenty of advice to transform their everyday schedule into one that is good for the body, yet still highly productive. In fact, readers attest that not only does their physical health seem to have improved after reading this book, but also that they actually feel more focused and devoted in their daily work.

"Health on the Run" has been translated into 27 different languages and is available in over 200 countries. It has been nominated for the New York Times self-help book of the year award.

"I cannot give too little praise for "Health on the Run." Every single person can benefit substantially from reading this book" -Jennifer Hoi, Chicago Press

36. () Where are you most likely to find this piece of writing?
- (A) In a book review
 - (B) In a magazine
 - (C) In an advertisement
