Bill Gates is the richest man in the world. His *worth* is estimated at over US\$70 billion. Bill Gates is the owner and founder of Microsoft, the largest computer software company in the world. Today, Microsoft earns over US\$28 billion per year. Some people consider Bill Gates the best businessman that ever lived. Thirty years ago, few people knew much about computers, but Gates saw a gold mine.

Bill was born in 1955. His mother was a teacher and his father was a well-known lawyer. Bill was very good at math and attended private schools growing up. He was first introduced to computers when he was only 13 years old. In his teens, Bill Gates was developing computer software programs. Even though Gates was skilled in computers, he went on to study law at university. During this time, Bill Gates, along with his future partner, Paul Allen, formed BASIC computer operating software. Bill knew the home computer market was about to *explode*. So, within one year, Gates left university and formed Microsoft with Paul Allen. In 1981, Microsoft teamed up with IBM and it became the operating system for IBM home computers. This partnership has made Microsoft the household name that is today.

Dear Mr. Anderson:

Thank you for the opportunity of having an interview with you for the position of personnel manager at Victor Planner. I enjoyed our meeting and learned a lot more about your *prestigious* firm. I am more motivated than ever to work for you.

During our interview, I told you that I was concerned about the long distance I would have to commute each day to Victor Technology from my home here in Taoyuan. Since then, I have found an apartment in Hsinyi District that I would be willing to rent, ensuring that I would have no trouble commuting. Upon hearing your decision, I will decide whether or not to take that apartment.

I believe in the future of your company. I share your conviction that sustainable real estate development is not only possible but also beneficial to our city and throughout the region. I very much hope to become a part of your vision for the future of Hsinyi region.

Sincerely Yours,  
Peter Huang
